UWF and Navy Federal Credit Union boast robust partnership

THINK SYNERGY...The University of West Florida and Navy Federal Credit Union are engaged in a unique partnership, with UWF offering onsite and online classes for employees of the fast-growing Pensacola-based business. UWF and Navy Federal Credit Union presented to the Board of Governors this week on their collaboration.

THINK TALENT...The relationship between UWF and Navy Federal Credit Union results in benefits for both, providing professional development opportunities for Navy Federal Credit Union employees and professional skills training opportunities for students of the university. Navy Federal Credit Union was recently recognized by Fortune Magazine as a “Top 100 Company to Work For” and is expected to more than double its 4,000 employees by 2020.

THINK WORKFORCE...Navy Federal Credit Union has hired dozens of interns from UWF, with at least 70 percent converting to full-time employees. By combining forces, UWF and Navy Federal Credit Union are providing exciting career pathways for students and new opportunities for Floridians.

THINK FLORIDA...A Higher Degree for Business.

Think Florida: A Higher Degree for Business is a unified State University System campaign designed to build synergies between Florida’s 12 public universities and the business community. The campaign’s primary focuses are talent, research and partnerships.
