**BACKGROUND INFORMATION**

The University of West Florida (UWF) is seeking approval for its Bachelor of Science in Elementary Education, Specialization - Elementary Education/ESOL/Reading to exceed 120 credit hours to degree in order to meet Department of Education and National Council for Accreditation of Teacher Education (NCATE) accreditation requirements for teacher education programs. The increase in credit hours is due to the curriculum requirements which call for 36 semester hours of General Studies, 9 semester hours of Statewide Common Prerequisites, 6 semester hours of coursework in an international or diversity focus, 9 semester hours of coursework to fulfill state lower level course requirements, and 68 semester hours in the major field of study including student teaching.

The UWF Board of Trustees approved the program to exceed 120 credit hours to degree on June 7, 2011. If the request is approved by the Board of Governors, UWF will implement the request effective immediately.
