Procedure

BACKGROUND INFORMATION

Regulation 6.017 includes the provision that all twelve credit hours that meet the composition coursework required for the "Gordon Rule" must be within the general education program. The proposed amendment allows for the six (6) credit hours of non-English composition coursework to be taught outside of general education. This amendment provides similar standards as those required by the State Board of Education for Florida College System institutions.

Amendments reflect changes proposed originally by the State University System undergraduate deans. It has been reviewed by the university general counsels, Council of Academic Vice Presidents, Council of Student Affairs, and other state university staff. Pursuant to the regulation procedure adopted by the Board at its meeting on March 23, 2006, the Board is required to provide public notice on its Internet Web site at least 30 days before adoption of the proposed regulation.
