

6.008 Postsecondary College-Level Preparatory Testing, Placement, and Instruction for State Universities.

(1) For admissions, first-time-in-college degree seeking students who do not meet college level competency either through the completion of developmental education requirements at Florida Agricultural and Mechanical University or other Florida College System institutions or state university, or college level coursework in the area of deficiency, shall be tested for reading, writing, and mathematics proficiency prior to the completion of initial registration, using the Florida Postsecondary Education Readiness Test (P.E.R.T.) or other tests listed in subsection (2) of this regulation. “Developmental education requirements” are the courses or other developmental education options required when a student does not meet the college ready cut score. Students earning scores less than those listed below shall participate in college preparatory communication and computation instruction in the area of the deficiency:

	Standard Score
(a) Reading	106
(b) Writing	103
(c) Mathematics	114 (Intermediate Algebra) 123 (College Algebra or equivalent)

(2)(a) Students who achieve scores on the College Board’s Accuplacer, SAT or ACT® with the writing component that meet or exceed the scores shown below, and enroll in a State University System institution within two (2) years from the test date of said score are exempted from taking the Florida Postsecondary Education Readiness Test:

	Standard Score
Accuplacer, The College Board	
Reading Comprehension	83
Writing Skills	83
Elementary Algebra	72

SAT, The College Board (or corresponding score on the redesigned SAT, based on official concordance tables which will be available from the College Board after the administration of the first redesigned SAT.)

Mathematics	440
Reading	440

ACT with Writing, ACT, Inc

Reading	19
English	17
Mathematics	19

(b) For students seeking dual enrollment with a university, a score of 262 on Grade 10 Florida Comprehensive Assessment Test 2.0 (FCAT 2.0) Reading demonstrates readiness for college-level reading and writing and college-level coursework consistent with course placement policies established by the university. Students who achieve such a score and

enroll in a university within two (2) years from the test date of achieving such a score are exempted from taking the reading and writing subtests of the Florida Postsecondary Education Readiness Test pursuant to subsection (1) above. FCAT 2.0 scores are only applicable for dual enrollment students. Dual enrollment students may qualify by meeting subsections (1), (2)(a) or (2)(b).

(3) Nothing provided in subsection (1) of this Regulation shall be construed to prevent the enrollment of a student in developmental education instruction.

(4) Students whose first language is not English may be placed in college preparatory instruction prior to the testing required herein, if such instruction is otherwise demonstrated as being necessary. Such students shall not be exempted from the testing required herein.

(5) Student P.E.R.T. records and test scores are confidential education records under Section 1002.221, Florida Statutes. Universities are required to comply with Section 1002.221, Florida Statutes, in maintaining confidentiality of these records.

(6) Universities affected by this regulation shall accept the highest test scores on any of the tests or combination of tests identified in subsections (1) and (2) of this regulation. Individual student scores shall be valid for two (2) years from the testing date unless there is further evidence of college success. Institutions shall accept P.E.R.T. scores on the public high school transcript as official record of scores.

(7) Students must be continuously enrolled in assigned developmental education courses until they satisfy the requirements for passing them.

(8) A university board of trustees may contract with a Florida College System board of trustees to provide developmental education instruction on the state university campus. Any state university in which the percentage of incoming students requiring developmental education equals or exceeds the average percentage of such students for the Florida College System may offer developmental education without contracting with a Florida College System institution. Any state university offering such instruction as of January 1, 1996, may continue to provide such services.

(10) During their first term, full-time students who are registered for at least twelve (12) credits, shall begin developmental education course or option instruction based on the placement test results. Part-time students shall enroll prior to completing twelve (12) credits.

(11) Students shall not enroll for more than three (3) attempts in each course to complete developmental education instruction. Students who withdraw from a course under major extenuating circumstances may be granted an exception. Such exceptions require approval under guidelines established by the the board of trustees of the institution offering the coursework. Boards of trustees may establish regulations concerning requirements of students prior to being approved to enroll in any third attempt of a developmental education option or course.
