NOTE: Data displayed in this table are based on individual scores on pre-recentered SAT scores (Table 4A) converted to their recentered equivalent scores by means of a conversion table provide by the College Board. Future Factbooks will provide data on recentered scores only.

\* Includes only regularly admitted students who meet BOR Freshman Admissions Requirements; excludes students admitted under the alternative admission program.

The National Association of College Admissions Counselors (NACAC) recommends that the "mid 50% range" be used to counsel high school students on admissions opportunities.
