(1) In 1998-99, the University of Florida combined all budget units. Therefore, beginning in Fall 1998, the credit hours appearing in the Special Units category will be those of the University of South Florida Medical Center and the University of Florida Medical Center Medical Professional headcount.

(2) Includes Medical Professional (Medical, Dentistry and Veterinary) headcount.

(3) These students do not pay tuition, are admitted on a space-available basis, and generate no funding for the State University System Institutions. Potential fundable totals are used in faculty & state employees' calculations; audited, non-fundable totals are used in senior citizens calculations. Fee Waivers listed are for E&G only.

*Note: 2001-02 In-State Fee Waiver values for SUS and Non-SUS Fee Waivers recalculated Oct. 2003.

NOTE: Figures have been rounded to the nearest whole number.
