(1) Beginning in 1998-99, the University of Florida combined all budget units, therefore the credit hours for the Institute of Food and Agricultural Sciences as well as Non-Medical Professional credit hours for the Medical Center are combined in the University of Florida E&G totals.

(2) Each Medical Professional Student equals one FTE. The fall headcount of Medical, Dentistry and Veterinary students is used for the Annual Medical Professional FTE. Medical Professionals are only included in the annual FTE total for this table.

NOTE: Does not include FTE's from employee or senior citizen fee waivers. Columns may not add due to rounding.
