SUBJECT: Repeal Board of Regents Rule 6C-16.002 for Approval (Chapter 16, Administration of Motor Pool)

PROPOSED BOARD ACTION

Repeal obsolete Board of Regents Rule 6C-16.002 relating to Approval (of motor vehicles and watercraft) pursuant to this Board's Regulation Development Procedure.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution

BACKGROUND INFORMATION

Rule 6C-16.002 for Approval (of motor vehicles and watercraft) was approved for public notice at the June 2008 meeting.

Rule 6C-16.002 currently specifies that "Motor vehicles or watercraft may not be acquired by lease, lease purchase, purchase or transfer from another agency without the written authorization of the Chancellor or the Chancellor's designee." This rule is obsolete, as this required approval has not been the practice of the State University System for several years.

No regulation is required with regards to university administration of motor pool.

Administration of Motor Pool rules were adopted for the purpose of implementing Section 240.209(1), (3) (m), 240.225 F.S., which has been repealed.

No public comments or amendments were made to this rule.
