

FLORIDA BOARD OF GOVERNORS

March 24, 2005

SUBJECT: Medical Education

PROPOSED BOARD ACTION

For Information

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7 d., Constitution of the State of Florida

BACKGROUND INFORMATION

On June 30, 2004, Florida International University submitted to the Division of Colleges and Universities a proposal for a new medical school, and the University of Central Florida is currently exploring the possibility of establishing a medical school. Both institutions have made recent presentations to the Board of Governors. During the March 24, 2005, Board meeting, President Brogan will be presenting information related to Florida Atlantic University's medical education program.

Supporting Documentation Included: FAU's Regional Medical Campus

Presenters: Mr. Frank Brogan, President
Florida Atlantic University
