July 22, 2004

SUBJECT: 2005-2006 State University System Legislative Budget Request

PROPOSED BOARD ACTION

Review and approve the State University System 2005-2006 Legislative Budget Request and give the Chancellor authority to make technical changes as needed.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Subsection (d) of Section 7 of Article IX, Education, of the Constitution of Florida as amended.

BACKGROUND INFORMATION

On April 28, 2004, the Chancellor requested that the University Boards of Trustees submit their institutions priorities. System issues such as enrollment growth, major gift matching, plant operations and maintenance for new and phased-in space, and medical and law school phase-in would be handled by the Division of Colleges and Universities. The Chancellor has received the universities top priorities and has identified other educational needs to be funded and hereby recommends that the Board of Governors approve the proposed budget request. The 2005-2006 budget request will then be incorporated into the State Board of Education's September 15, 2004 Legislative Budget Request submission to the Governor and Legislature.
