AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution; Board of Governors Regulation 1.001(3)(c)

BACKGROUND INFORMATION

Board of Governors Regulation 1.001(3)(c) requires that each university board of trustees adopt a strategic plan in alignment with its mission and the Board of Governors' 2025 System Strategic Plan. The regulation also requires the Board of Governors to review and consider university strategic plans for approval. The University of Central Florida Board of Trustees approved a new strategic plan on May 26, 2022. The University of Central Florida also submitted a crosswalk demonstrating that the institution's strategic plan aligns with the priorities of the Board of Governors' 2025 Strategic Plan. If approved by the Strategic Planning Committee, the University of Central Florida 2022-2027 Strategic Plan will be forwarded to the full Board for consideration.

Dr. Alexander Cartwright, President of the University of Central Florida, will provide an overview of the plan.
