

# **New College of Florida Student Success Plan Update**

**Richard Corcoran, Interim President**

**March 28, 2023**

**[www.flbog.edu](http://www.flbog.edu)**

## Student Success Plan

10 initiatives fully implemented

10 goals achieved

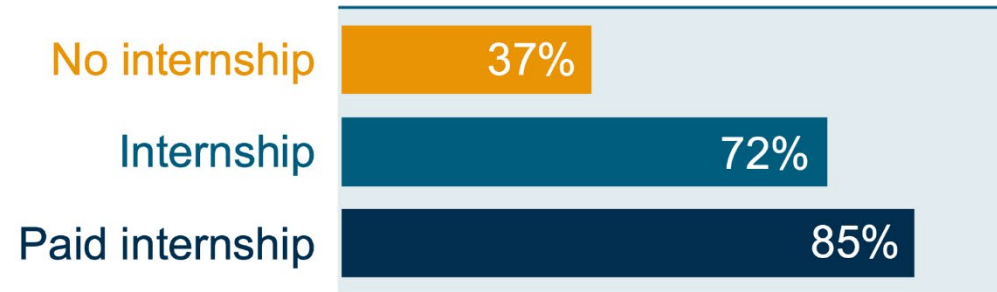

## Plan:

- 1 Build capacity for internships by hiring 2.0 FTE in internship-focused positions

## Why?

NCF graduates employed or enrolled within one year

- Hired:**
- Assistant Director for Internship Programs
  - Assoc. Dir. of Employer Relations & Work Based Learning

- Effect:** +19% YOY Fall internship participation  
Placed first teaching intern w/ Manatee County

# Graduation and Retention Rates (metric 4-5)

② **Approve policy to confer degrees in Jan. and Aug.**

Incentivize students to graduate on-time or early

**Approved policy appears in General Catalog**

Associates, Bachelors, and Masters degrees awarded in January 2023

③ **Award \$160k in retention & completion scholarships**

Resolve short-term financial hardships

**\$200k awarded to 64 students**

37 of 38 students receiving retention scholarships were retained into Spring

④ **Increase Fall SET SAIL enrollment 25% YOY**

Increase capacity in our first-year seminar

**Enrollment increased 44%**

SET SAIL students report feeling more connected and satisfied

# Graduation and Retention Rates (metric 4-5)

## ⑤ 50% of FTICs in immersive group experiences

Expand first-semester seminar through January term

**64% (120 of 188 FTICs) completed experiences**

More than doubles group experiences from Fall 2021

## ⑥ 30% of faculty complete enhanced advisor training

Only 65% satisfied with first-year advising

**34% (31 of 91 faculty) completed training**

Effectiveness  
TBD

## ⑦ Open one-stop shop for (registration & finance)

Remove administrative barriers & resolve issues

**START Center opened September 2022**

START Center has become a "go-to" place on campus

# Programs of Strategic Emphasis (metric 6)

## Plan:

- 8 BOT approval for Econometrics and Research Psych. Programs

**Why?** Strong student and employer demand in:

- Econometrics & Quantitative Economics
- Research & Experimental Psychology

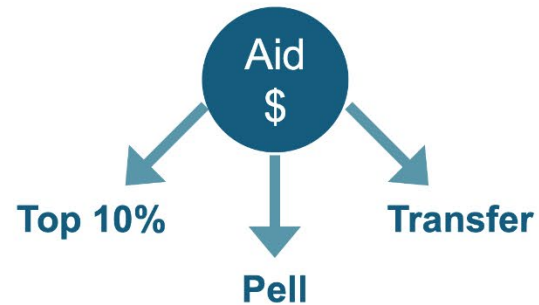

**Approved:** The New College of Florida Board of Trustees approved proposals for both programs at its January 31 meeting.

**Effect:** We anticipate a +10% increase in bachelor's degrees awarded in areas of strategic emphasis

# Top incoming first-year students (metric 8b)

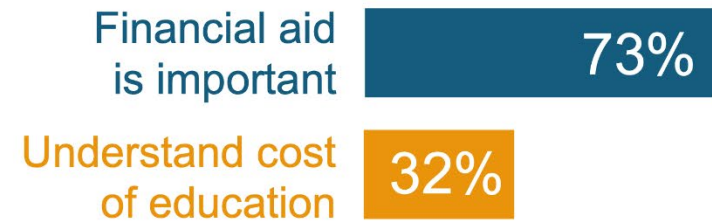

## 9 Optimize financial aid through a predictive model

**Predictive model has scored all applicants**

Effectiveness  
TBD

## 10 Send personalized financial aid videos to accepted students

**Admitted students have received personalized videos**

Effectiveness  
TBD
