Regulation 8.009

Overview

Current Regulation

- Outlines definitions for educational sites & different site classification requirements
- Establishes the approval authority of the Board of Governors & university boards of trustees for the establishment, reclassification, relocation, & closing of educational locations apart from a main campus

Need for the Amendment

University Feedback

- Definitions & approval requirements are unclear

Reorganization

- Requirements for sites are also included in Regulation 8.004
- Process for approval not clearly outlined consistently

Regulation 8.009

Outline of Proposed Changes

Site Approval

- Clearly defines the approval process
- Outlines the process for establishing a location that may later require Board approval (UF Jacksonville)
- Clarifies requirements for international sites

Reorganization

- Integrates requirements in Regulations 8.004, 8.011, & 9.012
- Changes the regulation name to Educational Locations

Clarifies the definitions & requirements

Consolidates & simplifies the overall structure of the regulation

Improves **consistency** in reporting

Regulation 10.015 Institutes and Centers

Ms. Emily Sikes, Interim Vice Chancellor for Academic & Student Affairs

Regulation 10.015

Overview

Current Regulation

- Provides definitions for different types of institutes & centers
- Establishes the review & notification process universities must follow to establish, modify, or close an institute or center

Need for the Amendment

University Feedback for Improving Efficiency

- Reporting process to the Board is cumbersome

Transparency

- Categories are not consistently defined
- The list of active centers is not updated in real-time

Regulation 10.015

Outline of Proposed Changes

Streamlines Reporting

- Delegates authority to universities to manage university institutes & centers
- Boards of Trustees responsible for establishing timeline & criteria for evaluations

Transparency

- Establishes requirements for creating, closing, or modifying centers & institutes
- Identifies actions requiring Board review or approval
- Provides real-time lists of active centers & institutes by universities

Clarifies the definitions for institutes & centers

Streamlines university reporting requirements

Increases **transparency** & more up-to-date institutes & centers lists
