**BACKGROUND INFORMATION**

Section 1008.46, Florida Statutes and Board of Governors Regulation 2.002, University Accountability Plans, requires the Board of Governors to annually submit a State University System Accountability Plan to the Governor, the President of the Senate, and the Speaker of the House of Representatives.

Based on the data provided in the university accountability plans, approved by the Board in June, Board staff analyzed System-level data and trends. The System Accountability Plan also includes information on academic program actions. If approved by the Strategic Planning Committee, the 2024 System Accountability Plan will be forwarded to the full Board for consideration.

Ms. Emily Sikes, Interim Vice Chancellor for Academic and Student Affairs, will present highlights of the 2024 System Accountability Plan.
