

**STATE UNIVERSITY SYSTEM OF FLORIDA  
BOARD OF GOVERNORS  
Budget and Finance Committee  
October 30, 2024**

**SUBJECT:** Performance-Based Funding

---

**PROPOSED COMMITTEE ACTION**

Approve moving Florida Polytechnic University (Florida Poly) from alternative Metric 9b1 to Metric 9b.

**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Article IX, Section 7, Florida Constitution; Regulation 5.001 – Performance-Based Funding

**BACKGROUND INFORMATION**

At the September meeting the Committee reviewed one potential change to a metric for Florida Poly.

Metric 9b for eleven universities is ‘Six-Year Graduation Rate for Students who are awarded a Pell Grant in their First Year’. Florida Poly had an alternative Metric (9b1 – Academic Progress Rate, 2<sup>nd</sup> Year Retention for First-time in College (FTIC) students with a Pell-Grant) until they had sufficient data to measure six-year graduation rates.

Effective with the 2025 Accountability Plan, Florida Poly will be able to report on Metric 9b like the other eleven universities.

The proposal is to move Florida Poly from their alternative Metric 9b1 to Metric 9b effective with the 2025 Accountability Plan.
