

AN AMENDED RESOLUTION REQUESTING THE DIVISION OF BOND FINANCE OF THE STATE BOARD OF ADMINISTRATION OF FLORIDA TO ISSUE TAXABLE AND TAX-EXEMPT REVENUE BONDS IN AN AMOUNT NOT TO EXCEED \$265,000,000 ON BEHALF OF FLORIDA STATE UNIVERSITY ATHLETICS ASSOCIATION, INC. (“FSUAA”) TO FINANCE THE RENOVATION OF DOAK S. CAMPBELL STADIUM ON THE MAIN CAMPUS OF THE UNIVERSITY; AND PROVIDING AN EFFECTIVE DATE.

The duly acting and appointed Board of Governors of the State of Florida at a meeting duly held pursuant to notice and a quorum being present do hereby make the following resolutions:

BE IT RESOLVED:

1. Findings. The Board of Governors hereby finds as follows:

(A) Pursuant to Article IX, Section 7 of the Florida Constitution, the Board of Governors (the “Board”) is vested with the power to operate, regulate, control, and manage the State University System of Florida. The Board of Governors is further vested with the authority to approve the issuance of revenue bonds by a state university or its direct support organization pursuant to Section 1010.62(2), Florida Statutes.

(B) FSUAA and Seminole Boosters, Inc. (“Seminole Boosters”) are direct support organizations as defined in Section 1004.28, Florida Statutes, that provide direct support to Florida State University (“FSU” or the “University”).

(C) On October 27, 2023, the Board of Trustees of the University requested approval from the Board for the Division of Bond Finance of the State Board of Administration (the “Division”) to issue taxable and tax-exempt revenue bonds on behalf of FSUAA in an amount not exceeding \$265,000,000 (the “Bonds”) for the purpose of financing: (i) the renovation of Doak S. Campbell Stadium on the main campus of the University (the “Project”) to be operated by the University; (ii) capitalized interest, (iii) a debt service reserve, if necessary; and (iv) certain costs relating to the issuance of the Bonds. The foregoing plan to finance the Project is referred to herein as the “Financing Plan.”

(D) The Project will primarily consist of extensive renovations to seating areas in the west bowl and the south end zone of Doak S. Campbell Stadium. Improvements to the west bowl will include the removal of approximately 27,000 bench seats and adding back over 16,000 seats including new premium seating and chairback seating, as well as improvements to concession areas. Renovations to the south end zone area will result in new seating options, such as loge boxes and ledge seating. In addition to upgrading fan amenities throughout the stadium, the Project will repair or replace antiquated or damaged infrastructure, technology and equipment, and remediate code deficiencies.

(E) Upon consideration of the Financing Plan, the Board further finds that the issuance of the Bonds is for a purpose that is consistent with the mission of the University; the Financing Plan is structured in a manner appropriate for the prudent financial management of the University; the Bonds are secured by revenues, described below in Section 3, which will be adequate to provide for all debt service payments; the Financing Plan has been properly analyzed by the staffs of the Board and the Division; and the Financing Plan is consistent with the Board's Debt Management Guidelines.

(F) The Project is included in the approved campus master plan of the University.

2. approval of the Project. The Project is approved by the Board as being consistent with the strategic plan of the University and the programs offered by the University.

3. Approval of the Bonds. The Board hereby approves and requests the Division to issue the Bonds on behalf of FSUAA in an amount not to exceed \$265,000,000, for the purpose of financing the construction of the Project. Proceeds of the Bonds may be used to pay the costs of issuance of such Bonds, to fund capitalized interest, to provide for a municipal bond insurance policy, if any, and to fund a reserve account or provide debt service reserve insurance, if necessary. The Bonds are to be secured by certain revenue streams contractually pledged to FSUAA by FSU's athletics department and Seminole Boosters, including athletic conference distribution revenue, recurring annual Seminole Booster membership fees, Project-specific donations received within 5 years of issuance, sponsorships and advertising money, proceeds from ticket sales, and game guarantees. The Division shall determine the amount of the Bonds to be issued, not to exceed \$265,000,000, and the date, terms, maturities, taxable or tax-exempt status, and other features of a fiscal or technical nature necessary for the issuance of the Bonds. Proceeds of the Bonds and other legally available monies shall be used for the Project, except that bond proceeds utilized to replace antiquated or damaged technology and equipment shall be derived from the first four (4) maturities of the Bonds. The issuance of the Bonds by the FSUAA for the purpose of reimbursing FSUAA or the University for capital expenditures paid for the Project from legally available funds of FSUAA or the University is hereby authorized.

4. Refunding Authority. Authority is granted for the issuance of bonds for the purpose of refunding all or a portion of any bonds secured by the revenues described herein, if it is deemed by the Division to be in the best financial interest of the State. The limitation on the amount authorized for the Bonds in Sections 1 and 3 above shall not apply to such refunding bonds. Other terms of this resolution shall apply to any such refunding bonds as appropriate.

5. Compliance. The Board will comply, and will require the University and FSUAA to comply, with the following:

(A) All federal tax law requirements upon advice of bond counsel or the Division as evidenced by a "Certificate as to Tax, Arbitrage, and Other Matters" or similar certificate to be executed by the Board prior to the issuance of the Bonds.

(B) All other requirements of the Division with respect to compliance with federal arbitrage law, pursuant to Section 215.64(11), Florida Statutes.

(C) All requirements of federal securities law, state law, or the Division, relating to continuing secondary market disclosure of information regarding the Bonds, the University, and FSUAA, including the collection of the revenues pledged to the Bonds. Such requirements currently provide for the disclosure of information relating to the Bonds, the University, and FSUAA, including the collection of the revenues pledged to the Bonds, on an annual basis and upon the occurrence of certain material events.

(D) All covenants and other legal requirements relating to the Bonds.

6. Fees. As provided in Section 215.65, Florida Statutes, the fees charged by the Division and all expenses incurred by the Division in connection with the issuance of the Bonds (except for periodic arbitrage compliance fees, if any, which shall be paid from other legally available funds) shall be paid and reimbursed to the Division from the proceeds of the sale of such Bonds. If for any reason (other than a reason based on factors completely within the control of the Division) the Bonds herein requested to be authorized are not sold and issued, the Board agrees and consents that such fees, charges, and expenses incurred by the Division shall, at the request of the Division, be reimbursed to the Division by FSUAA or the University from any legally available funds of FSUAA or the University.

7. Authorization. The Division is hereby requested to take all actions required to issue the Bonds.

8. Reserve and Insurance. If determined by the Division to be in the best interest of the State, the Board may cause to be purchased a debt service reserve credit facility and/or a municipal bond insurance policy, issued by a nationally recognized bond insurer.

9. Repealing Clause. All resolutions of the Board or parts thereof, in conflict with the provisions herein contained, to the extent they conflict herewith, are, to the extent of such conflict, hereby superseded and repealed.

10. Authorization of Further Actions Consistent Herewith. The members of the Board, attorneys, or other agents or employees of the Board are hereby authorized and directed to do all acts and things required of them by this resolution or desirable or consistent with the requirements hereof, to assure the full, punctual, and complete performance of all the terms, covenants, and agreements contained in the Bonds and this resolution, including execution of such documents, certificates, contracts, and legal opinions and other material delivered in connection with the construction and financing of the Project for use by the University, the issuance of the Bonds, or as necessary to preserve the exemption from the taxation of interest on any of the Bonds which are tax-

exempt, in such form and content as the Chair, Vice Chair, or authorized officers executing the same deem necessary, desirable, or appropriate.

11. Effective Date. This resolution shall become effective immediately upon its adoption.

Adopted as amended on this 26th day of March, 2025.
